

Position: Senior Consultant

Based in US and/or UK/EUR

ON THE MARK (OTM) is the leading global boutique consultancy specializing in high-impact collaborative organization design and operating model modernization. In business for 34 years with more than 500 successful re-designs and modernizations completed, OTM offers businesses and governments a reliable alternative to *real* transformation based on proactive, genuine engagement and readiness.

Our sweet spot is ensuring a business's organization design and operating model is fit for purpose to deliver its strategy with a keen focus on aligning true cultural and behavior change, fast. Whether it's a post-acquisition/merger integration, the realignment of a particular part of the business, putting the customer at the centre of a business or moving from local, site-based to global, OTM delivers tangible value.

- Successfully delivered over 500 redesigns and over 700 projects in total.
- Redesigned every type of business function and enterprise-wide, across most industry sectors.
- Worked in over 40 countries on five continents.
- Trained/developed over 5,000 leaders and internal change agents in OTM's unique organization design solution.

OTM's most important points of differentiation is our unwavering commitment to real involvement of your people, taking a sustainable approach to operating model transformation, use of senior consulting team from start to finish, our comprehensive solution and approach to stakeholder engagement and focus on shifting deeply engrained and legacy behavior patterns – all with the intent of helping our customers realize their desired future.

What is it like working at OTM?

The role is responsible for a share of successful networking and business development, planning and delivery of organization design projects, contributing to OTM solution improvement and brand assets.

Business development and business winning includes reaching out, representing OTM at events, qualifying of leads, proposal writing and contract winning.

OTM's consulting delivery model is based on a team of three to four team members: associate consultant, senior consultant, principal consultant and a managing consultant on projects from start to finish, working from the "process consultant" perspective utilizing the power of collaborative methods. OTM's has a bias to recruiting experienced practitioners to ensure clients get maximum value and benefit from rich experience.
